ELEMENT 40

MAGNETIC
DRILL

ELEMENT 40:

One of the most versatile
drills in the Rotabroach range

The Element 40 is small in size, but revels in the harshest of environments due to the high powered motor.

The Element 40 also has a powerful, two speed mechanical gearbox, and is suitable for drilling up to 40mm diameter by 50mm depth.

- Lightweight - 13.65kg
- Mounted Coolant Bottle
- Powerful 1200W Motor
- Quick Release Capstan Arm
- 10,000N Magnet
- 2 Speed Gearbox
- User Friendly Controls
- Internal Motor Cable
- 13mm Drill Chuck Supplied
- Ergonomic Carry Handle
