# EHFH240 – ELITE HEAT FAN HEATER 240V

Elite is a manufacturer of high quality products that are built to specifically withstand the rigours of the construction industry. The Elite Fan Heater is small but powerful boasting an incredible 2.8kw output and has 3 control settings which means that during the summer months, this Fan Heater can be put on fan only to keep you cool on site.

Available in 110v and 240v
