Think Tool Hire. Think Brandon Hire Station.

A NEW GENERATION.

The new Electric Mini Digger available from Brandon Hire Station is the **industry's first fully electric mini excavator**. It lets you do a full day's work on a single charge, giving you access to a whole new world of possibilities.

The new 19c-1e has **maintenance free batteries**, needs **minimal daily checks** and requires **less servicing**, saving operators **time and money when on site**. Giving you the freedom to work anywhere, anytime with **quick charging** and enough battery life to let you work for a **full day on a single charge**. With 3 charging options, you can get to work when and where it suits you.

ZERO EMISSIONS.

With zero emissions, low noise levels and JCB's GO Safety system, the new 19c-1e provides the peace of mind you Need to work safely and efficiently.

Bucket rotation is a huge 201° and the canopy offers 270° visibility so the 19C-1E is **perfect for working in confined areas**. The new **hydraulic system** also allows for smooth and accurate operation, increasing productivity. Noise at the operator station is a huge **10 dB less than the diesel version** making this digger the perfect companion for urban areas.

Reducing harmful emissions, especially in urban, air quality sensitive environments and enclosed spaces.
